★ The Dress Rehearsal - Sun 3rd Dec

The aim of the dress rehearsal is to allow all students to perform their routine/s in their costume, assess movement and fit, etc. Students also have their professional portraits (group and individual) taken in their costumes by DanceWorks Photography.

➤ **Location & Schedule:** WAPS Subiaco Studio (Studios 1, 2 and 3). Please head to www.waps.com.au/concert (password WAPSCO2017) to download the full Dress Rehearsal schedule - note this is not the same as the concert running order.

➤ **Arrival:** Arrive at least 20 minutes prior to your first scheduled rehearsal time. This will allow time to warm up and get changed into costumes. Private singing/music students have also been allocated timeslots in the rehearsal schedule. If you do not need your timeslot, or if you'd like to change it, please let reception staff know.

➤ **Hair & Make-up:** Full hair and make-up is required for all students on this day and should be completed before you arrive to save time. Please also bring any footwear, accessories and other items required as per the attached Costume Schedule. Absolutely no fake tan, tinted or tanning products please (damaged or stained costumes will be charged as a purchased costume to the student's account).

➤ **Costumes:** *All students* who are wearing costumes provided by WAPS *must* pick them up from the Costume Collection Area and return the costume back to the same area neatly and in its original packaging, immediately after their rehearsal slot. Failure to do so results in delays and lost costumes.

Please note, as these are professional dance costumes made for durability, performance and stage appearance, they may fit or feel differently to regular clothing. Some costumes *may* not always feel 100% comfortable, but keep in mind you'll only be wearing it for a few minutes (and will look fabulous while doing so)!

All students (even those providing their own costumes) are responsible for their costumes throughout the rehearsal. We ask that **no coloured soft drinks or messy foods** are brought – all snacks and lunch must be eaten away from changing areas and not whilst in costume. **Please do not apply fake tanning products prior to the concert** - you will be liable to purchase any costumes you stain at the rehearsals or the concert.

If you are in a class that is providing your own costumes, please make sure to bring this with you to Dress Rehearsal.

What to expect on Dress Rehearsal Day:

1. ***Prepack any accessories and footwear as per the Costume Schedule and complete hair and make-up beforehand.***
2. ***Arrive to WAPS Studios in Subiaco 20mins before*** your scheduled rehearsal and locate the Costume Collection Area to collect your costume. Please use the bathrooms in the building to get changed immediately.
3. ***Once you have changed into your costume***, you will wait with your class until it is your turn to rehearse your routine. This is *not* a lesson – you will only have time for one run-through only so it is important you are punctual.
4. ***After your class has rehearsed your routine*** you will all move to the photography area, where your group and individual portrait photos will be taken by a professional photographer.
5. ***Once your photos are taken***, you must change out of your costume *even if you intend to purchase it*.
6. ***Return your costume to the Costume Collection Area***, neatly and in the original packaging – do not lose your bag or get it mixed up with another dancer's, even if you are the same size. If you wish to purchase your costume, please see reception staff who will advise you of purchase costs and procedures. However, your costume will remain with WAPS until the day of the concert.
7. ***If you are in another routine***, you can then collect the next costume and prepare for your next rehearsal slot. Some students will have back to back routines so it is important that you are familiar with your schedule, locations and ensure you change into and out of your costumes quickly to avoid delays.
8. ***When you have completed all your routines and returned all costumes***, you may leave. Please ensure you have checked that all costume items are returned and that you have gathered all personal belongings with you.

Photos: Photos taken during the portrait session at Dress Rehearsal are made available on the photographer's website - take a card and release form on the day for the special code to preview and purchase your photos for the photographer directly.

★ The Technical Rehearsal - Fri 15th Dec

The aim of the Technical Rehearsal is to give venue staff the chance to set and rehearse sound and lighting conditions for the concert, and to give students the opportunity to familiarise themselves with the stage and venue. Students also rehearse their group bows & finale item of each concert.

➤ **Arrival & Schedule:** You will need to arrive at *Lady Wardle Performing Arts Centre, St Mary's Anglican School* at the below times. Please pay attention to signs and look out for WAPS teachers and staff who will direct you where you need to be.

Juniors (*toddler, pre-junior, junior classes*): Please arrive at **8.20am sharp**. We will run through our finale piece first, followed by individual acts from the concert. Students can leave after they have rehearsed all of their routine/s. We estimate an approximate finish time of 11.30am for the entire rehearsal.

Seniors (*intermediate & senior classes*): Please arrive at **11.30am sharp**. (*Senior Drama & Acting students may be asked to arrive earlier - TBC*). We will run through our finale piece first, followed by individual acts from the concert. Students can leave after they have rehearsed all of their routine/s. We estimate an approximate finish time of 4pm for the full rehearsal.

Adults: Please arrive at **4pm sharp**. We will run through our finale piece first, followed by individual acts from the concert. Students can leave after they have rehearsed all of their routine/s. We estimate an approximate finish time of 4pm for the full rehearsal.

➤ **Parents & Guardians:** Parents and family members are not allowed in the auditorium at any time during the technical rehearsal. Any unauthorised persons in the auditorium will be asked to leave by venue staff.

Parents of young children may stay with their child backstage during the **rehearsal only**. There is limited space backstage, so to prevent unnecessary congestion, we strongly recommend parents to wait in the foyer. Alternatively, you can leave a contact number with our designated communications staff and we can call you when your child has finished their routines.

All children are safely monitored by WAPS staff throughout the rehearsal and on the concert day.

➤ **Costume, Hair & Make-up:** Hair and make-up is NOT required for this rehearsal, however the correct dance footwear must be worn for each routine, so that students can practise with the stage flooring.

Some students may be asked to wear a costume on the day in order to assist venue staff in lighting each routine appropriately. Any costumes given out on the day must be returned to WAPS at the rehearsal, even if students intend to purchase them.

What to expect on Technical Rehearsal Day:

1. **Pack your dance shoes**, a bottle of water (no coloured liquids or sodas) and a **light** snack if necessary. No hair or makeup required. You may wear your tights if you wish, but it's not compulsory.
2. **Arrive to Lady Wardle on time as per your schedule above** and look for signs and WAPS staff to direct you backstage. Please note that if you arrive early or if the concert rehearsal prior is delayed, you may be asked to wait quietly in the foyer until backstage area is ready.
3. **Once you are backstage**, please be respectful of the venue, take care of your belongings and wait patiently for our WAPS staff to announce rehearsal and concert procedures. You may be provided with a costume to wear to represent your routine for the lighting technicians. If so, please look after the costume (and the bag it comes in) and return it to WAPS staff before you leave.
4. **After a quick briefing**, you will be asked to line up to prepare for the FINALE rehearsal. Please pay attention to WAPS staff and remember your positions. If you are not planning on participating in the Finale, please advise staff so they do not position you in the piece.
5. **After the Finale rehearsal**, we will begin to rehearse each class routine. This will not be the same as the concert running order. It is important that you **remain inside the allocated rooms at all times**, as our WAPS staff will be preparing their classes based on their assigned rooms.
Please familiarise yourself with the day's schedule and listen out for WAPS staff instructions. If you are not paying attention or if you are not in the room at the time our staff members call for the group, then you may miss your rehearsal on stage. If you need to go to the bathroom, please let a staff member know, however there will be supervised toilet runs throughout the day.
6. **After you have rehearsed all of your routines**, please ensure you return all costumes to WAPS Staff if you were provided one (even if you intend to purchase it), and gather all of your belongings with you.
7. **After this, you may leave as long as there is a parent or guardian there to collect you.** All junior, intermediate and senior students must have a parent or guardian to accompany them before they are able to leave. If you wish to leave unsupervised, your parent/guardian must provide written permission to WAPS staff prior to rehearsals. If you would like a call when your child's rehearsal is completed so you can collect them, please leave your number with our communications staff on the day.

★ The Concert - Sat 16th Dec

➤ **Arrival & Schedule:** You will need to arrive at *Lady Wardle Performing Arts Centre*, St Mary's Anglican School at the below times. Please pay attention to signs and look out for WAPS teachers and staff who will direct you where you need to be.

Juniors need to arrive at 9.30am (no earlier please) for an 11am concert start, finishing approximately 1pm.

Adults need to arrive 2pm (no earlier please) for a 3pm concert start, finishing approximately 4.30pm.

Inters/Seniors need to arrive 5pm (no earlier please) for a 6pm concert start, finishing approximately 9pm.

Due to costuming and backstage set up between concerts, early arrivals will not be allowed backstage. Please arrive on time.

➤ **Costume, Hair & Make-up:** Please arrive with hair and make-up already done if your child cannot apply it themselves. We recommend students bring their own makeup kits for touchups throughout the concert, as we do not allow makeup to be shared backstage due to allergies.

All students must bring appropriate footwear, underwear and stockings (see Costume Schedule attached). All hired costumes must be returned to WAPS before children leave the concert. See Purchased Costume procedures below if you have purchased a costume.

➤ **Toddlers:** We strongly recommend that all dancers remain backstage for the duration of the concert. However, toddler students (ages 2-4yrs) who have completed their routines in the first act may be collected at the interval to sit on their parent's lap for the remainder of the concert **if necessary**. However this will mean they are unable to participate in the finale piece of the concert and the final bows.

Otherwise they will be fully supervised backstage by WAPS staff and will be escorted to participate in the finale.

If you would like to request an interval pick-up for your toddler, please contact WAPS Administration **before the day of the concert** so this can be prearranged. Please do not attempt to come backstage to collect your child unless you have prearranged this with WAPS Staff. No parents or unauthorised persons are allowed backstage on the day of the concert, at any point in time, to ensure the safety of all of our students.

➤ **Parents & Family Members:** *No parents or family members are allowed backstage on the concert day, regardless of the age of the child.* Children will be monitored by trained WAPS staff throughout the day and helpers will be allocated to help children change

costumes. All of our staff and helpers are experienced, trained and hold current Working With Children Checks.

The safety and wellbeing of our students is our number 1 priority. For security purposes and the safety of our students, no parents or unauthorised persons are allowed backstage once the concert has commenced (this includes the interval). Likewise, students are not allowed to leave the backstage area during the concert. If you need to speak to your child for any reason during the concert, please see our door staff. You will be asked to remain in the foyer while our staff member brings your child to you.

What to expect on CONCERT Day:

1. **Pack all of your accessories, shoes and dance items in a bag.** Ensure all personal belongings and valuables are labelled with your name and packed securely. Makeup and hair should be completed before you arrive. Bring along a bottle of water (no coloured liquids or sodas) and a **light** snack if necessary.
For our toddlers and pre-junior students, please include a **Packing List** for your items, so our assistants can ensure all of your essentials are packed at the end of the concert.
2. **Arrive to Lady Wardle on time as per your schedule above** and look for signs and WAPS staff to direct you backstage. Please note that if you arrive early or if the pack-up from the prior concert is delayed, you may be asked to wait quietly in the foyer until backstage area is ready.
3. **Once you are backstage**, please be respectful of the venue, take care of your belongings and wait patiently. Our WAPS Staff will direct class groups to collect their costumes from the Costume Collection Area. Please ensure you have a safe space for your own belongings and also for the costumes you are to look after. For all toddler and young students, we will have staff and helpers backstage who will assist students with their belongings as well as costume changes, food, drink and toilet breaks.
4. **Approximately one hour before the concert begins**, all parents/family members will be asked to leave the backstage area and make their way to the auditorium. This is so we can perform our proper head counts, secure the area from any unauthorised persons, and start our warm-ups and preparations. There is only one entry/exit to the backstage area, and this will be secured by a staff member at all times to ensure students remain safe and secure backstage.
5. **Once the concert has commenced**, all students need to remain quiet whilst backstage and in the wings. Students will be able to watch the concert stage live through a monitor in their green rooms. There will also be activities and light games to keep our younger students entertained and occupied. Please do not eat or drink backstage - there is a

designated area and time for food consumption and will be fully supervised by staff.

6. **At the interval (only for Junior and Senior Concerts)**, all students are to remain backstage and in their green rooms. Supervised drink, food and toilet breaks will be assigned. No parents, family members or unauthorised persons are allowed backstage during the interval.

7. **At the end of the concert**, all parents will be asked to wait in the foyer. Our staff will assist with all costume changes, packing of belongings and preparing our students to leave the premise. All costumes are to be returned to the Costume Collection Area. As soon as a student is ready, they will begin to line up in the corridor backstage and our staff will call for their parents in the foyer. If you are not there yet, the student will remain backstage with our staff until you arrive. (Adult students may leave once they have gathered their belongings).
For Junior students, it is strongly recommended that you include a **Packing List** with your child's belongings, so that our staff can ensure your child does not leave without all of their essential items.

 **Purchased Costumes:** Please note that all costumes are on a **hired basis**, unless you have arranged to purchase with a WAPS staff member and have made the extra payment to cover the purchase cost.

Please ensure that all costume purchases are prearranged and **fully paid for at least 24hrs before the day of the concert**. This is to ensure our Costume staff have prepared your costume accordingly to allow for collection at the end of the concert.

If you have purchased and paid for the costume, **please see our Costume staff at the end of the concert to confirm**. Once verified and marked by Costume Staff you can take the costume with you.

If our Costume Staff does not have record of your purchase or payment, or if you decide on the day that you wish to purchase the costume, **you must return the costume to our Costume Staff before you leave**. You can arrange for the purchase and payment in the week following the concert and collect it from the studio then.

★ Backstage Etiquette & Venue Policies

To ensure that our rehearsals and concerts run as smoothly as possible, it is important for all parents, family members and performers to follow the guidelines set out in this information pack, as well as general backstage etiquette and venue policies. The Lady Wardle Performing Arts Centre is a state of the arts performing facility and have a number of guidelines we must adhere to. Please see below to ensure you understand your responsibilities as a performer or audience member.

- All performers and audience members must be polite and respectful, not only to each other but also to venue staff, WAPS staff and other patrons.
- If you are backstage, in the wings, or in the corridor areas during the concert, please be quiet as all noise can be heard in the auditorium and is a distraction to other performers.
- Be respectful of the venue and its property (i.e. avoid touching or damaging any musical equipment, projectors, screens and any other items that belong to the venue).
- Be mindful of your own property and wastes (i.e. clean up after yourself, put your rubbish in the bin, don't leave valuables or any items lying around unattended).
- No food or drinks backstage at any point in time. We will allow children to eat at one point during the concert in a supervised area, however we ask that you feed your child a good breakfast/lunch so they are not hungry as soon as they arrive. Some of our students suffer from serious food allergies - please refrain from packing any products with common allergens, or food/drink that may stain. Children are not permitted to share food with classmates under any circumstances and may only eat in the designated area under staff supervision.
- Absolutely no smoking or alcohol consumption in the building or on the grounds of the property at any point in time. Failure to comply to this may result in a fine from the venue.
- No cameras or recording devices are allowed at any point in time during the concert. There will be professional photographers and videographers recording the concerts. If you are seen operating a recording device during the concert, you will be asked to leave by venue staff.
- Be supportive of your fellow performers and maintain a positive attitude. It's an exciting time but can also be quite hectic. Assist those who have multiple items and encourage each other!

All underwear should be flesh coloured. Bras should be strapless or have clear plastic straps.

No fake tan or tanning products, and no jewellery (including earrings) for dancers.

Nailpolish is fine, but please no false or stick on nails that may break off or cause damage to costumes during the concert.

➤ **BYO Costume Pieces:**
