

The WA Performance School End of Year Concert 2017 Dress Rehearsal Schedule

The aim of the dress rehearsal is to allow all students to perform their routine/s in their costume, highlighting any issues with fit etc. Students also have their professional portraits (group and individual) taken in their costumes by DanceWorks Photography.

Arrival: Students are required to arrive at least 20 minutes prior to their first scheduled rehearsal time (please check www.waps.com.au/concert for the full Dress Rehearsal schedule - note this is not the concert schedule). This gives them time to warm up and get changed into costumes. Please arrive with make-up already on to save time. (See Concert Info Pack 1 for stage make up advice).

Costumes: *All students* who are wearing costumes provided by WAPS *must* pick them up from the reception desk upstairs and return the costume back to the desk neatly and in its original packaging, immediately after their rehearsal slot. Failure to do so results in delays and lost costumes.

All students (even those providing their own costumes) are responsible for their costumes throughout the rehearsal. We ask that no coloured soft drinks or messy foods are brought – all snacks and lunch must be eaten away from changing areas. Please do not apply fake tanning products - you will be liable to purchase any costumes you stain at the rehearsals or the concert.

What to expect: Once you arrive and change into your costume, you will wait with your class until it is your turn to rehearse your routine. This is *not* a lesson – you will only have time for one run-through only so it is important you are punctual. Once your class has rehearsed your routine you will all move to the photography area, where your group and individual portrait photos will be taken. After this, you need to change out of your costume *even if you intend to purchase it*. All costumes need to be returned to WAPS neatly and in the original packaging – do not lose your bag or get it mixed up with another dancer's, even if you are the same size. If you are in another routine, you can then collect the next costume and prepare for your next rehearsal slot.

Private singing/music students have been allocated timeslots on the rehearsal schedule. If you do not need your timeslot, or if you'd like to change it, please let your teacher know or email dance@waps.com.au.

Costume, Hair & Make-up:

Costume, hair and make-up is required for all students on this day. Absolutely no fake tan or tanning products please (damaged or dirty costumes will incur a cleaning charge).

Photos: Photos from the portrait sessions are made available on the photographer's website - take a card and release form on the day for the special code to preview and purchase your photos, or view the release and more information online at www.waps.com.au/concert.
