

# 2019 ADULT CONCERT INFO PACK 1 (OF 2)

Adult students will be featured in their own showcase of students 18 years and over, and whilst performance in the concert is by no means compulsory, it is definitely recommended. Performing onstage in front of a supportive audience of friends and family is not only fun, but brings a great sense of achievement - it's a great way to conclude all those weeks or months of lessons, practise, preparation and hard work!

This is the FIRST of TWO concert information packs, designed to give you all the details you need to prepare for your concert participation. This pack will deliver basic information about dates, venues and conditions of the concert and its associated rehearsals. The second pack, released in Term 4, will contain finer details like specific arrival times, costume requirements and rehearsal schedules, which are not yet available at this time.

Please read this pack thoroughly - if you have any questions, please contact administration on [dance@waps.com.au](mailto:dance@waps.com.au) or (08) 9388 6970.

**All Concert Packs, ticketing links, and schedules will be uploaded to [www.waps.com.au/concert](http://www.waps.com.au/concert) and accessible with the password WAPS2019**

### ★ Who is this information pack for?

This pack contains initial information regarding **2019's ADULT Concert** showcase. Information in this pack pertains to students in our **adult (17+) classes**.

Private students please ensure you discuss the concert with your teacher directly also.

*If you or your child is not in the above classes, please head over to our Concert Portal [www.waps.com.au/concert](http://www.waps.com.au/concert) (password WAPS2019) to access the correct information pack for your age group.*

### ★ When is the concert?

2019's concert will be held on Sunday the 1st December, with a technical rehearsal on Saturday 30th November.

A dress rehearsal will take place on Sunday 17th November, at the WAPS Subiaco studio.

### ★ What time is the concert?

Specific start times and schedules will be made available in Concert Info Pack 2, however generally the Adult concert starts mid-noon for a matinee performance. For a guide to rehearsal times, please see the *Rehearsal* section of this info pack.

## ★ Where is the concert held?

2019's concert showcases **will take place at a new venue: The Joy Shepherd Performing Arts Centre, at St Hilda's Anglican School for Girls.**

This wonderful venue seats over 500 patrons, with state-of-the-art facilities for our students and guests to enjoy. All students will be supervised backstage at all times by WAPS staff.

**Please note this is a different venue from past concerts.**

## ★ Why participate in the concert?

Participation in the concert is not compulsory, however it is highly recommended for students of any age.

Participating in the concert is a wonderful opportunity to develop performers' confidence and reward for all your work throughout the term. Exposure to performing in front of others in a safe, warm and friendly environment can help alleviate future anxiety or nerves and remind you how talented and strong they really are!

We feel that performing onstage promotes creativity, courage, pride in personal achievements, resilience, and teamwork, while also giving students an insight into the preparations for and running of a performing arts showcase.

## ★ What if I decide not to participate in the concert?

No problem! Students who decide to not participate in the concert are still welcome to come to classes all the way through to the end of the year!

While some concert planning will take place in classes, all classes will run as per usual and students are welcome to come to every class and continue to learn technical skills and choreography like they would any other term. Performers will not be excluded from class activities or routines if they choose not to participate in the concert.

## ★ How much does it cost to participate?

There are extra fees associated with concert participation, necessary in order to cover the extra cost of putting on such a large-scale event.

**Concert Levy:** Every participating student must pay a \$35 Concert Levy in order to participate. This fee covers costs such as extra rehearsals, staff time, venue hire, license and insurances, etc. This fee is not refundable if you decide to cancel your participation in the concert.

**Concert T-shirt (optional):** For a \$20 fee, each performer will also receive a souvenir Concert T-Shirt, to be worn backstage during the concert and rehearsals. The shirt can also be worn as a uniform to weekly classes at WAPS! See below for more information.

**Costumes:** You will need to provide your own costume pieces as per your teacher's instructions at your own cost. Further details about costumes for each classes will be communicated in Term 4.

Please note that concert participants must pay all their owing tuition fees in order to participate in the concert. Students with overdue tuition fees on their accounts will not be able to participate until payments have cleared. **WAPS tuition fees are always due before the first class of term.**

## ★ Will there be extra rehearsals?

Yes! For such large-scale productions, rehearsal is a necessity. Two rehearsals will take place outside of regular class time before the day of the concert:

### **REHEARSAL 1 - Dress Rehearsal/Photo Day:**

Dress rehearsals take place at WAPS Subiaco, where each class runs through their items in costume, hair and make up, followed by a quick professional photo shoot if they wish.

**Date:** Sunday 17th November

**Time:** The schedule for the full day's rehearsal will be confirmed in Concert Info Pack 2. We aim to schedule all junior students for a morning rehearsal where possible.

Each class will be allocated one 5-10 minute slot per performance item. Students are only required to stay for their classes' allocated timeslots. Parents are welcome to watch, and then take their children home as soon as they have returned their costumes after photos!

**Venue:** The WA Performance School, Subiaco

**Requirements:** Stage hair and makeup is required, and costume must be worn. More information about this will be released in Concert Info Pack 2.

### **REHEARSAL 2 - Technical Rehearsal:**

A technical rehearsal is required not only so students can familiarise themselves with the venue and protocols of the concert, but so that technical staff can program and test lighting and sound cues - vital for the smooth running of the concert.

**Date:** Saturday 30th November

**Time:** Specific times will be confirmed in Concert Info Pack 2. Junior students are generally scheduled to rehearse in the morning and may leave after they have rehearsed all items.

**Venue:** Joy Shepherd Performing Arts Centre, St Hilda's Anglican School for Girls

**Requirements:** Hair and make up *are not* required for this rehearsal. Some individual students may be provided with their costumes in order to test lighting colours, but not everyone.

Absolutely **no guests or non-performers** are allowed in the auditorium at any time on Technical Rehearsal day.

### ★ **Do we need to purchase costumes?**

Adult students are usually required to provide their own costumes for the concert, rather than hiring costumes from WAPS (as children/teens do). Your teacher will discuss costuming with you in Term 4 and you will receive a note confirming costume requirements for each adult class in which you're enrolled.

Some costumes will simply involve regular items of clothing from your own wardrobe, whilst others may involve you sourcing specialist costume items. A popular option in recent years has been for students to pitch in for a bulk order of affordable costumes from online, or even crafting costumes together.

We will always aim for affordability and comfort and adult students are welcome to discuss ideas with their teachers.

## ★ How do I order and pay for the Concert T-Shirt?

The Concert T-Shirt is a souvenir shirt for all participating students to keep and wear again! This shirt can be worn with leggings or shorts when students perform the bows and concert finale dance at the end of each show (which will also be photographed and filmed), as well as backstage at the concert during quick-changes or long breaks. The shirt can also be worn in future weekly WAPS classes as studio uniform, so students can wear it with pride again and again. This will ensure all students are easily identifiable at the concert and in the studio and will also be a great way to remember the concert day!

The Concert T-Shirt (\$20) is ordered and paid for the same time as your concert levy (please provide your sizing with your concert consent form).

## ★ What are hair and make up requirements?

General guidelines for dance students are listed below, however teachers may request specific changes depending on class routines (please consult them or Concert info Pack 2 before making any purchases!).

**Long Hair:** Up in a high ponytail, or a bun for ballet/acro, with all wisps gelled, sprayed or pinned back.

**Long Hair:** Neat and off the face/eyes, pinned/gelled back if necessary.

**Tights:** Non-shimmer tan dance tights, or pink tights for ballet. No tights for acro.

**Shoes:** Dependent upon the discipline of dance. Style/colour will be assigned in Concert Info Pack 2.

**Make up:** Stage make up is required for *all students* regardless of age or gender (including music and acting students), as the harsh stage lighting will dramatically wash out all faces, to the point where they may not be visible from the audience, or on DVD or photos. For ladies, please apply foundation and blush to match skin tone, along with mascara or false lashes, brown eyeshadow and lipstick in a red-pink shade. Gents should wear foundation and blush/bronzer to match skin tone, simply to ensure that eyes are defined and visible from the audience.

**Notes:** We recommend against wearing fake tan with costumes, as stains are likely to occur. Please ensure all underwear and bras are suitable for performance - no bra straps should be visible under costumes of any shape (clear plastic straps or specialist dance underwear recommended).

## ★ How can we access music to rehearse to?

Rehearsing at home is vital to ensure that all choreography, repertoire or scripts are committed to memory, and to help students perform at their very best. As such, we make music tracks available for students to rehearse with at home.

By early term 4, the WAPS Cloud link for all music will be updated on the Concert Hub page. This link will contain music to download for home rehearsal use.

## ★ How will WAPS communicate information about the concert?

The [www.waps.com.au/concert](http://www.waps.com.au/concert) page (where you found this pack) will be regularly updated as more information becomes available.

It's important to make sure that you're receiving WAPS newsletters in your email inbox, as these often contain important dates and reminders for concert season. Please ensure any emails from **@waps.com.au** addresses are not being redirected to your spam or promotions folder; please also ensure you do not unsubscribe from 'Dance-Studio Pro' mailouts and statements. Families may also like to download Team App (it's free!) to your mobile device and join the "WAPS" team, to receive notifications when newsletters or info packs are released.

## ★ How do I register for the concert?

Your participation in the concert must be confirmed with us **in writing** using the form attached to this pack, which you may email to [dance@waps.com.au](mailto:dance@waps.com.au), or leave with reception staff (not class teachers) at the studio. Please check the *Deadlines* section of this pack for more information about when this is due.

## ★ What happens on the day of the concert?

On the day of the concert (1st December), students are required to arrive backstage one hour prior to the show. Exact times will all be confirmed in Concert Info Pack 2. Students should arrive with all hair and makeup completed.

Guests and other non-performers are *not allowed backstage at any point on concert day*. This is for the safety and privacy of our enrolled students, as well as being a condition of the venue. They are welcome to wait in the foyer or at local cafes before the show begins.

We ask that you do stay for the entire length of the concert, rather than leaving after your performance item, especially as all students are involved in the finale - it is also good performer etiquette.

## ★ What happens backstage during the concert?

Performers must stay in their designated areas throughout the concert - either side of stage (if they're about to perform), or backstage in their designated rehearsal room.

***Guests or other non-performers are not to be backstage at any time during the concert.***

Please note that emergency exits are alarmed, and that no alcohol or smoking is allowed on the school grounds. Please respect the venue's policies as consequences for inappropriate behaviour may include exclusion from the performance. As there will be more WAPS performers using the space after the adult concert is over, it's vital that students leave backstage areas neat and tidy.

## ★ Can I or my guests record the concert ourselves?

No cameras or recording equipment are allowed in the venue. High quality photos and video are available for purchase (orders open around Term 3/4) from our hired photographer and videographers. This leaves you and other audience members free to enjoy the concert in person, and means that performers and guests are not distracted or inconvenienced by another audience member's recording. St Hilda's venue staff may ask you to leave the auditorium if you are found to be recording performances, so please ensure you put away all devices prior to the show. No refunds or ticket replacements are available to guests who are asked to leave due to the non-compliance of the venue's or WAPS' policies.

## ★ How can I find photos and videos of the concert?

Photos are available for ordering directly from the concert photographer's website [www.danceworksphotography.com.au](http://www.danceworksphotography.com.au). Cards with the 2019 WAPS Gallery Password are handed out on dress rehearsal day, please take one and keep it safe as passwords are required to access galleries, for privacy reasons.

A DVD of the concert is available to purchase each year. Please remember that DVD costs will **increase after the concert** has taken place, so it is always best to pre-order yours well before the concert.

**The DVD will take at the very least 10 weeks to professionally edit, produce and package.**

You will be notified via email when your order is ready to be picked up from the studio in Term 1 2020. If you are moving, or unable to pick up your DVD, you'll need to inform us via email, provide a postal address, and pay postage fees.

More information about ordering DVDs will be available in Concert Info Pack 2.

## ★ What do I need to know about concert etiquette?

We ask that audience members stay seated during performances (unless they are leaving to settle a baby or toddler), and that they stay for the entire concert to show support for their fellow school mates. Should guests have an unsettled or crying child, we ask that you kindly settle the child in the foyer before returning to the auditorium to avoid any distractions to our performers on stage.

First time performers or families should ask WAPS staff if they have any questions about concert etiquette. All performers will be given instructions by WAPS staff before the concert starts, and behavioural expectations will be made clear. Performers who do not comply with behavioural expectations may be asked to sit out during performances.

## ★ How do my guests purchase tickets to the concert?

Tickets will be available to purchase from [www.trybooking.com](http://www.trybooking.com) later in the year (usually released early November). The release of tickets will be announced in the WAPS newsletter, “Dance-Studio Pro” portal emails, and in-studio announcements by WAPS teachers. As per above, please ensure you are receiving all newsletters and notifications, or follow us on social media!

Adult and Child (12 yrs & under) tickets will be available, and all seating is allocated. Those who order first will have priority when it comes to choosing their own seats, but please keep in mind that if you decide to order extra tickets at a later date, there is a very good chance that not all your seats will be next to each other.

Babies and toddlers (up to 3 years) are not required to purchase tickets, provided they stay in a parent’s lap for the *entire* length of the concert. Please also be courteous and remove them from the auditorium immediately if they do become disruptive, particularly as our performances are recorded for the WAPS DVD.
