

2019 Junior Concert Info Pack 1 (of 2)

This pack contains initial information regarding 2019's **Junior Concert** showcase. Information in this pack pertains to students in our pre-junior (5-7yrs) and junior (7-10yrs) classes. For Tiny Toddler class students (2-4 years) please see our specialist toddler info pack.

This is the **FIRST** of TWO concert information packs, designed to give you all the details you need to prepare for your concert participation. This pack will deliver basic information about dates, venues and conditions of the concert and its associated rehearsals. The second pack, released in Term 4, will contain finer details like specific arrival times, costume requirements and rehearsal schedules, which are not yet available at this time.

Please read this pack thoroughly - if you have any questions, please contact administration on dance@waps.com.au or (08) 9388 6970.

All Concert Packs, ticketing links, and schedules will be uploaded to www.waps.com.au/concert and accessible with the password WAPS2019

★ Who is this information pack for?

This pack contains initial information regarding **2019's JUNIOR Concert** showcase. Information in this pack pertains to students in our **pre-junior (5-7 years) and junior (7-10 years) classes**. Private students please ensure you discuss the concert with your teacher directly also.

If your child is not in the above classes, please head over to our Concert Portal www.waps.com.au/concert (password WAPS2019) to access the correct information pack for your age group.

★ When is the concert?

2019's concert will be held on Sunday the 1st December, with a technical rehearsal on Saturday 30th November.

A dress rehearsal will take place on Sunday 17th November, at the WAPS Subiaco studio.

★ What time is the concert?

Specific start times and schedules will be made available in Concert Info Pack 2, however generally the Junior concert starts late morning/noon. For a guide to rehearsal times, please see the *Rehearsal* section of this info pack.

★ Where is the concert held?

2019's concert showcases **will take place at a new venue: The Joy Shepherd Performing Arts Centre, at St Hilda's Anglican School for Girls**. This wonderful venue seats over 500 patrons, with state-of-the-art facilities for our students and guests to enjoy. All students will be supervised backstage at all times by WAPS staff. **Please note this is a different venue from past concerts.**

★ Why participate in the concert?

Participation in the concert is not compulsory, however it is highly recommended for students of any age.

Participating in the concert is a wonderful opportunity to develop students' confidence, reward them for all their hard work throughout the term, and give them a sense of pride and ownership over their performance. Exposure to performing in front of others in a safe, warm and friendly environment can help alleviate future anxiety or nerves, particularly in children of a young age - next time they need to be brave, they can look back upon their fun and successful experience at the concert and remember how talented and strong they really are!

Performing at the concert teaches children about the process of learning and preparing for a large event, about interacting with peers and other adults, and promotes creativity, courage, pride in personal achievements, resilience, and teamwork.

★ What if I decide not to participate in the concert?

No problem! Students who decide to not participate in the concert are still welcome to come to classes all the way through to the end of the year!

While some concert planning will take place in classes, all classes will run as per usual and students are welcome to come to every class and continue to learn technical skills and choreography like they would any other term.

Please note, no WAPS classes will run on Saturday 30th November (day of technical rehearsal).

★ How much does it cost to participate?

There are extra fees associated with concert participation, necessary in order to cover the extra cost of putting on such a large-scale event.

Concert Levy: Every participating student must pay a \$35 Concert Levy in order to participate. This fee covers costs such as extra rehearsals, staff time, venue hire, license and insurances, etc. This fee is not refundable if you decide to cancel your participation in the concert.

Concert T-shirt (optional): For a \$20 fee, each performer will also receive a souvenir Concert T-Shirt, to be worn backstage during the concert and rehearsals. The shirt can also be worn as a uniform to weekly classes at WAPS! See below for more information.

Costume Hire Fee: Please see the *Costume* section of this information pack for details.

Please note that concert participants must pay all their owing tuition fees in order to participate in the concert. Students with overdue tuition fees on their accounts will not be able to participate until payments have cleared. **WAPS tuition fees are always due before the first class of term.**

★ Will there be extra rehearsals?

Yes! For such large-scale productions, rehearsal is a necessity. Two rehearsals will take place outside of regular class time before the day of the concert:

REHEARSAL 1 - Dress Rehearsal/Photo Day:

Dress rehearsals take place at WAPS Subiaco, where each class runs through their items in costume, hair and make up, followed by a quick professional photo shoot if they wish.

Date: Sunday 17th November

Time: The schedule for the full day's rehearsal will be confirmed in Concert Info Pack 2. We aim to schedule all junior students for a morning rehearsal where possible. Each class will be allocated one 5-10 minute slot per performance item. Students are only required to stay for their classes' allocated timeslots. Parents are welcome to watch, and then take their children home as soon as they have returned their costumes after photos!

Venue: The WA Performance School, Subiaco

Requirements: Stage hair and makeup is required, and costume must be worn. More information about this will be released in Concert Info Pack 2.

REHEARSAL 2 - Technical Rehearsal:

A technical rehearsal is required not only so students can familiarise themselves with the venue and protocols of the concert, but so that technical staff can program and test lighting and sound cues - vital for the smooth running of the concert.

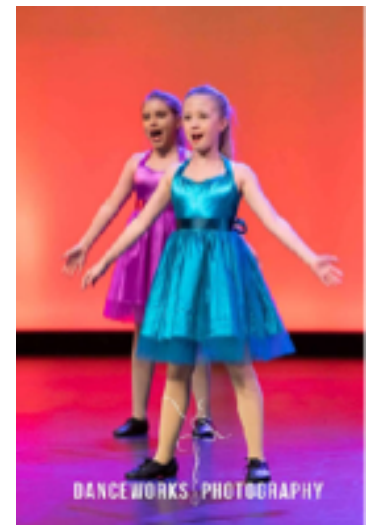

Date: Saturday 30th November

Time: Specific times will be confirmed in Concert Info Pack 2. Junior students are generally scheduled to rehearse in the morning and may leave after they have rehearsed all items.

Venue: Joy Shepherd Performing Arts Centre, St Hilda's Anglican School for Girls

Requirements: Hair and make up *are not* required for this rehearsal. Some individual students may be provided with their costumes in order to test lighting colours, but not everyone.

Note: There will be no classes running at WAPS on Saturday 30th November.

★ Can I supervise my child backstage at the Technical Rehearsal?

On Technical Rehearsal day, parents will be allowed to stay in **backstage holding areas** with their children if they wish. However, please note that absolutely *no guests*, parents or non-performers are allowed in the **auditorium** at any time.

Alternatively, your child will be supervised throughout the rehearsal by trained WAPS staff, and you can pick them up as soon as they have finished rehearsing their items. More information about this schedule will be made available to you in Concert Info Pack 2.

★ Do we need to purchase costumes?

For most of our dance students, costumes will be co-ordinated by WAPS. Whilst some studios require families to purchase all costumes, WAPS allows students the choice to either *hire* OR *purchase*. Measurements for junior students are taken during class time in Term 3 and costumes are ordered from overseas by WAPS. As such, any new students enrolling in WAPS for the first time after Term 3 may not be able to participate in the concert.

Costumes are ordered to each performer's measurements, and will vary greatly depending on the style of dance.

Do note that most dance costumes require a snug fit in order to avoid sagging or falling down (or off) during dances!

★ How much is costume hire?

Costume hire fee is \$44 per costume.

This fee includes the ordering, care, maintenance, cleaning, sourcing, insurance and storage of the costume. This costume will remain the property of WAPS at all times and must be returned after every rehearsal, and once the concert is over. If you or your child removes a hired costume from the rehearsals or concert, you will be liable to pay full purchase costs.

★ How much are costumes to purchase?

Alternatively, costumes can be purchased instead of hired. Costs of purchase will vary depending on the costume; prices will be made available to parents on the day of the dress rehearsal, when students try the costumes on for the first time.

Students ***may not take purchased costumes home until after the concert, even if already paid for.***

★ Are all students required to have a WAPS costume?

Usually music and drama students are asked to provide their own costumes, according to teacher instructions.

Sometimes dancers may also be asked to provide all or part of their costume themselves, depending on the routine. Costume fees will not apply to students who are not required to hire/purchase any costume item from WAPS.

If you have been asked to provide your own costumes, information will be provided to parents by late Term 3/early Term 4 in order to give families enough time to coordinate.

★ How do I order and pay for the Concert T-Shirt?

The Concert T-Shirt is a souvenir shirt for all participating students to keep and wear again! This shirt can be worn with leggings or shorts when students perform the bows and concert finale dance at the end of each show (which will also be photographed and filmed), as well as backstage at the concert during quick-changes or long breaks. The shirt can also be worn in future weekly WAPS classes as studio uniform, so students can wear it with pride again and again. This will ensure all students are easily identifiable at the concert and in the studio and will also be a great way to remember the concert day!

The Concert T-Shirt (\$20) is ordered and paid for the same time as your concert levy (please provide your sizing with your concert consent form).

★ What are hair and make up requirements?

General guidelines for dance students are listed below, however teachers may request specific changes depending on class routines (please consult them or Concert info Pack 2 before making any purchases!).

Long Hair: Up in a high ponytail, or a bun for ballet/acro, with all wisps gelled, sprayed or pinned back.

Short Hair: Neat and off the face/eyes, pinned/gelled back if necessary.

Tights: Non-shimmer tan dance tights, or pink tights for ballet. No tights for acro.

Shoes: Dependent upon the discipline of dance. Style/colour will be assigned in Concert Info Pack 2.

Make up: We know that all our young students have beautiful skin and faces, however the lights at the venue will dramatically wash out their faces, to the point where they may not be clearly visible from the audience (or in your DVD or photos!). As such, stage make up is required for *all students* regardless of age or gender (including music and acting students).

For girls, please apply foundation and blush to match skin tone, brown eyeshadow and lipstick in a red-pink shade (older kids/teens can wear mascara/lashes). Boys should wear foundation and blush/bronzer to match skin tone, and may also apply light brown eyeshadow, simply to ensure that eyes are defined and visible from the audience.

★ How can we access music to rehearse to?

Rehearsing at home is vital to ensure that all choreography, repertoire or scripts are committed to memory, and to help students perform at their very best. As such, we make music tracks available for students to rehearse with at home.

By early term 4, the WAPS Cloud link for all music will be updated on the Concert Hub page. This link will contain music to download for home rehearsal use.

★ How will WAPS communicate information about the concert?

The www.waps.com.au/concert page (where you found this pack) will be regularly updated as more information becomes available.

It's important to make sure that you're receiving WAPS newsletters in your email inbox, as these often contain important dates and reminders for concert season. Please ensure any emails from **@waps.com.au** addresses are not being redirected to your spam or promotions folder; please also ensure you do not unsubscribe from 'Dance-Studio Pro' mailouts and statements.

Families may also like to download Team App (it's free!) to your mobile device and join the "WAPS" team, to receive notifications when newsletters or info packs are released.

★ How do I register for the concert?

Your participation in the concert must be confirmed with us **in writing** using the form attached to this pack, which you may scan and email to dance@waps.com.au, or leave with reception staff (not class teachers) at the studio. Please check the *Deadlines* section of this pack for more information about when this is due.

★ What happens on the day of the concert?

On the day of the concert (1st December), students are required to arrive backstage 1.5 hours prior to the show. Exact times will all be confirmed in Concert Info Pack 2.

Students should arrive with all hair and makeup completed.

Parents will drop their children off backstage before heading to the auditorium to be seated for the show. Parents and non-WAPS staff are *not allowed backstage at any point on concert day*.

Our team of trained staff and assistants will supervise all children backstage, assist with all concert preparation (including costumes and toilet breaks) and ensure their safety and comfort.

We ask that you do stay for the entire length of the concert, rather than leaving after your performance item, especially as all students are involved in the finale - it is also good performer etiquette.

★ What happens backstage during the concert?

Performers must stay in their designated areas throughout the concert - either side of stage (if they're about to perform), or backstage in their designated rehearsal room. All children are supervised at all times by WAPS staff and **guests, parents or other non-performers are not to be backstage at any time during the concert.**

Parents of students under 5 years should read the Toddler Concert Info Pack for information on backstage access for parents of very young students (Tiny Ballerinas, Little Groovers, Pre-Junior Singing & Music 10.00am).

★ Can I pack my child games, activities, food or drink?

Many families pack games or activities to keep children occupied during any long breaks backstage - these items must be well-labelled, and WAPS cannot accept responsibility for any lost or damaged items. We do not recommend messy activities that can mark costumes (like textas for colouring), or easily-lost items, but will have staff allocated to supervising and entertaining students when they are not preparing to perform.

Designated eating areas will be marked out on the day - **no food or drink is to be consumed outside of these areas.** Please do not pack any food or drink that will be messy to consume, as this risks damaging costumes, which may incur extra fees. Please do not pack any food or drink that contains common allergens like nuts, and instruct all young children that they are **not allowed to share food** with their classmates, even if they have no food/drinks of their own! We do ask that you feed your child a good meal before dropping them off to the venue, so that they are not hungry too soon after they arrive. A labelled water bottle is also recommended.

★ Can I record the concert myself?

No cameras or recording equipment are allowed in the venue. High quality photos and video are available for purchase (orders open around Term 3/4) from our hired photographer and videographers. This leaves you and other audience members free to enjoy the concert in person, and means that performers and guests are not distracted or inconvenienced by another audience member's recording. St Hilda's venue staff may ask you to leave the auditorium if you are found to be recording performances, so please ensure you put away all devices prior to the show. No refunds or ticket replacements are available to guests who are asked to leave due to the non-compliance of the venue's or WAPS' policies.

★ How can I find photos and videos of the concert?

Photos are available for ordering directly from the concert photographer's website www.danceworksphotography.com.au. Cards with the 2019 WAPS Gallery Password are handed out on dress rehearsal day, please take one and keep it safe as passwords are required to access galleries, for privacy reasons.

A DVD of the concert is available to purchase each year. Please remember that DVD costs will **increase after the concert** has taken place, so it is always best to pre-order yours well before the concert.

The DVD will take at the very least 10 weeks to professionally edit, produce and package.

You will be notified via email when your order is ready to be picked up from the studio in Term 1 2020. If you are moving, or unable to pick up your DVD, you'll need to inform us via email, provide a postal address, and pay postage fees.

More information about ordering DVDs will be available in Concert Info Pack 2.

★ What do I need to know about concert etiquette?

We ask that audience members stay seated during performances (unless you are leaving to settle a baby or toddler), and that they stay for the entire concert to show support for their fellow school mates. Should you have an unsettled or crying child, we ask that you kindly settle the child in the foyer before returning to the auditorium to avoid any distractions to our young performers on stage.

First time performers or families should ask WAPS staff if they have any questions about concert etiquette. All performers will be given instructions by WAPS staff before the concert starts, and behavioural expectations will be made clear. Performers who do not comply with behavioural expectations may be asked to sit out during performances.

★ How do I purchase tickets to the concert?

Tickets will be available to purchase from www.trybooking.com later in the year (usually released early November). The release of tickets will be announced in the WAPS newsletter, "Dance-Studio Pro" portal emails, and in-studio announcements by WAPS teachers. As per above, please ensure you are receiving all newsletters and notifications, or follow us on social media!

Adult and Child (12 yrs & under) tickets will be available, and all seating is allocated. Those who order first will have priority when it comes to choosing their own seats, but please keep in mind that if you decide to order extra tickets at a later date, there is a very good chance that not all your seats will be next to each other.

Babies and toddlers (up to 3 years) are not required to purchase tickets, provided they stay in a parent's lap for the *entire* length of the concert. Please also be courteous and remove them from the auditorium immediately if they do become disruptive, particularly as our performances are recorded for the WAPS DVD.

★ **I heard that tickets sell out quickly – I don't want to miss out!**

To avoid families missing out on tickets to the concert, WAPS will **reserve** two tickets (in the back row) per family **until one week before the show**.

Once you have chosen and paid for your seats (you may select any available seats on the venue map!), we will release those two reserved tickets that have been held for you, for general sale. This means you that whichever seats you have selected and purchased for yourself at www.trybooking.com will be your seats for the concert.

If you do not make your purchases by the week before the show, we will assume you do not require any tickets and all remaining tickets will be released for general sale.

This is the most fair way to ensure that no parents miss out on watching their children perform from the show selling out early, but it does mean that if you wait too long to purchase your tickets, you may find that you have missed out on selecting your preferred seats in the venue. You **will still need to order and pay for your tickets online** if you are seated in the two seats reserved for you in the back rows. **Concert tickets sell out very quickly each year** so we do recommend you carefully read newsletters, emails and stay in communication with teachers to avoid missing the ticket release date.
