Please collect your costumes 20 mins before your allocated rehearsal time slot from the Costume Collection area (look out for signage to direct you where to go). This year, our photographers will be setting up in the squash courts, opposite Court 9/Studio 3. This means that if your class is assigned Court 9/Studio 3 for rehearsal, you are able to get changed in the Lords change rooms, right next to the rehearsal space.

It is normal for the dress rehearsal to run to a very tight schedule. If you are in multiple classes, back to back time slots are inevitable. **But there is no need to stress at all!** By collecting your costume on time, your teacher will be notified of your presence, and they will wait for you before they begin the rehearsal. You are welcome to do all of your dances first, then proceed with photos afterwards, before returning your costumes.

Please remember - ALL COSTUMES MUST BE RETURNED TO THE COSTUME AREA ON DRESS REHEARSAL DAY BEFORE YOU LEAVE - even if you intend to purchase it. Thank you for your cooperation.
